Please note following:

Youth are to be at the Church 10 minutes before classes start.

They need to be respectful of the other students and Catechists.

If they need to miss a class, it is your responsibility to check if they have items to bring home.

We need to know who is allowed to pick up the child if it isn't going to be a parent or guardian.

From time to time, we may ask parents or guardians to help out with a class or project. Please help.

Remember we are doing this to help our children understand the faith that we so strongly have with our Father and that it is a joint effort of the Catechists and you that will make this happen. Share their enthusiasm and what they are learning.
